LOCAL RESIDENTS SPECIAL STARTING AT F\$299 PER NIGHT AT FIJI'S #1 BEACH RESORT

(NATADOLA, FIJI) Thursday 11th June 2020 – The InterContinental Fiji Golf Resort and Spa has released a brand new special specifically for its local market inclusive of expatriate staff that are residing in Fiji. The local residents' special starts from F\$299 tax inclusive per night for two adults and two children 12 years and under and is inclusive of breakfast for all and a 50% discount on selected beverages. Other inclusions are an early check in and late check out (subject to availability) as well as complimentary Wi-Fi and reduced upgrade rates into Beachfront Rooms and Suites.

“Ever since we opened our doors in 2009, the local market has been supportive of our Resort. We enjoy a steady stream of local business in both the leisure and groups segment and are grateful for the unwavering support that we have received. We were very fortunate that during the time of this global pandemic, we have remained open and have not had to shut the doors of our Resort,” said Lachlan Walker – Area General Manager South Pacific.

Walker went on to add “Our Resort is not immune to the effects of the coronavirus and with international borders shut down, this is an ideal time to re-think strategies and our positioning in the market and put together a good rate to entice more local residents to experience international brand Hotels and Resorts such as ours.”

Walker further added, “Whilst we are operating with limited room inventory and reduced services, our Team are rolling out control measures to ensure that the guest experience is in line with social distancing and more attention to the cleanliness and hygiene of guest rooms and facilities on property”
